### Re: Notice of Issue for Jane Street Bus Rapid Transit | York Region Rapid Transit Corporation

The Jane Street Bus Rapid Transit (BRT) project, in the City of Vaughan, is following the Transit and Rail Project Assessment Process as prescribed in Ontario Regulation 231/08. On June 1, 2026, York Region Rapid Transit Corporation (YRRTC) issued a Notice of Commencement for the Jane Street BRT project, commencing the 120-day consultation period.

As part of consultation on the BRT project, YRRTC has identified the need for additional time for discussion on the Environmental Project Report, including technical studies, and potential project impacts with the participating Indigenous communities.

This Notice of Issue for the BRT project is being provided under subsection 10(1) of Ontario Regulation 231/08. As a result, the 120-day consultation period is suspended and will resume once a Notice of Resumption has been provided to you.

A copy of this notice of issue has also been posted on the project website: [yrrtc.ca/jane\\_brt](http://yrrtc.ca/jane_brt)

If you have any questions or need further information about this project, please contact:
